1. Summary reports are archived weekly at: <http://tn.gov/health/nas/nas-summary-archive.html>
2. Total percentage may not equal 100 % due to rounding.
3. Multiple maternal substances may be reported; therefore the total number of cases in this table may not match the total number of cases reported.
4. Other exposure may include cases reported to the archived surveillance system with classifications not captured in the current system.
